OPEN HOUSE: WEIGHT LOSS WITH HCG

Dr. Belluccio is pleased and excited to offer a very effective weight loss program utilizing HCG (human chorionic gonadotrophin). She will be holding an open house to introduce and discuss this new program on **Tuesday, February 2 at 7:00 p.m.** Light snacks will be served, and there will be a drawing for \$25.00 off of any product or service and possibly other items. There is no cost to attend this informational meeting. Please call today to reserve your space.

NEW ALLERGY ELIMINATION PROCEDURE

Our allergy treatment is called the Nambudripad Allergy Elimination Technique, or NAET. There are no needles, minimal supplements, and only temporary diet changes are required. Patients are provided with a book to assist in the process. Dr. Belluccio will be happy to discuss this treatment and how it can help you. For established patients, the first session is \$75, and follow ups are \$50. We have already seen some amazing results in some of our patients!

NEW PRODUCT FEATURE

We are now offering a new detox program from GUNA. It is used with the HCG weight loss program, but is also an effective detox by itself. It is also a little more economical (under \$149 for the kit) and easier to use than some of the other programs that we offer.

The kit consists of Guna Matrix, the vital force of drainage and detox, Guna Lmph, which activates lymphatic structures and reduces inflammation, Guna Cell, which stimulates functional cellular metabolism for an anti-degenerative effect, and Guna FM or ML for support of various glandular functions. Guna Bowel, Liver, and/or Kidney complete the program to stimulate and optimize these organs.

Spring is the perfect time to give your body assistance to cleanse, restore regenerate and revitalize itself, helping you maintain your youth and longevity. Please give us a call to get more information on the options available.

THERMOGRAPHY – SPREAD THE WORD,

And SAVE!! Dr. Belluccio understands and appreciates the power of word-of-mouth referrals. You are our best advertising to spread the word about the importance of thermography to breast health. To encourage you to get the word out, we are offering a new Thermography referral program. Effective immediately, you will receive a 10% discount on your own thermogram for EACH new thermogram patient that you refer to us. The patient must provide your name. If you send ten patients (10 x 10% = 100%) your thermogram is free! Think of gathering a group for Dr. Maria to come and speak to about breast health and thermography.

INFLUENZINUM IS STILL AVAILABLE

We have a few vials left. Each vial is enough for 1&1/2 people. Two vials will cover three people. The cost is \$9.75 per vial, and we can mail them to you with a nominal fee. These work well year round to boost your immunity to colds and flu, and are a good addition to any medicine chest. Please call today to order some.

We hope that this new year brings you many blessings, good health, and peace!
